Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

The amendment filed on 1/10/00 canceling all claims drawn to the originally presented invention and presenting only claims drawn to an independent or distinct invention is non-responsive (MPEP § 821.03). The present invention is drawn to a communication system of interconnected networks for a mobile receiver/source. The original invention is drawn to a method for finding a record of data in a memory.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
